

Stayed Appeals VN 45

as at 18/4/23

Type	Class	Identifier	Reasons
NDR	2010 Rating Appeals where the VO, following the Supreme Court’s judgment in <i>Cardtronics</i> undertook a list maintenance exercise deleting the ATM entries and increasing retrospectively the RV of the host store. The appellant argues that Regulation 14 (7) of the NDR regs prevents a retrospective increase.	Joint application by parties for preliminary effective date issue to be treated as complex. Other related appeals identified have been stayed.	Test case relating to 108 Bath Road, Reading – Tesco Stores Ltd v Bunyan (VO) to be heard by the President on 3 July 2023
